AUTOMOTIVE BARREL RACING RULES – Each driver & mechanic has an obligation to read these rules. All work must be completed on vehicles before entering pit area.

WHAT IS IT?

It is heads up – side by side – Automotive Barrel Racing. You can race your Ford Mustang, your Ford Bronco, your Dodge Colt, you can pull your farm truck out of the pasture or you can pull your Bump n Run car out of the barn and race it. Drivers start out side by side on a start/finish line, head in opposite direction – no contact – they test their skills while they turn and burn around 3 different barrels – 1st one back to the start/finish line with no barrel penalties wins!

Automotive Barrel Racing Rules:
